Advisors Verification Form
Dissertation

As part of their non-course requirements, each Cognitive Science Ph.D. student is required to write and defend one dissertation that is in the area of Cognitive Science. Approval by the examining committee will be required for acceptance of the dissertation and its defense.

When the dissertation and defense are accepted, this form should be signed by the primary and secondary advisors and returned to Gina Kuperberg, Director of Operations for the Cognitive Science Graduate Program, at 490 Boston Ave, Medford, MA 02155. Alternatively it can be scanned and emailed to Gina Kuperberg at kuperber@nmr.mgh.harvard.edu.

See cogsci.tufts.edu/academics/requirements.htm for details on this requirement.

I verify that my advisee, ______________________________, wrote and successfully defended his/her dissertation, titled ________________________________, on this date ______________.

Primary advisor’s name (printed): ___________________________ Date: ____________
